

L'art du cocktail

Sucré, acide, amer, salé ou même umami? Le Bar Le Philosophe vous propose des saveurs françaises.

Inspired by the French art of living, we create our cocktails with French spirits, wines and our own flavors. When it comes to the perfect cocktail, we pay attention to technique, form, aesthetic and history. Our bar is all about real craftsmanship: The cocktails are made to fit your taste. In addition we also offer a fine glass of wine. Please take a look at our selection of wines by the glass or ask our staff for the wine list.
